SKILLS

My abilities include user interface design, web design, app design, branding, information design, typography, digital and analog photography, screen printing, and frontend development.

I am experienced in Sketch, Illustrator, Photoshop, and InDesign. Lately, I have been working with Xcode and polishing my HTML, CSS, and JQuery skills.

I have designed and developed several iOS apps myself, all of which are available in the App Store. Some of these apps, which I co-developed, are also downloadable from the Play Store.

LANGUAGES

I am fully proficient in English, German, and Slovenian. I also have a limited working proficiency in Croatian.

PERSONAL INTERESTS

I love watching comic book movies, singing and playing guitar, writing songs, brainstorming ideas for new projects, and making things out of paper.
